

Membership Application

OSEA is a respected advocate, facilitator and business catalyst bringing the public, commercial and community sustainable energy sector and their supporters together to address emerging trends and the development of healthy, prosperous and ecologically sustainable communities across Ontario.

OSEA's **vision** is of a prosperous Ontario with a thriving sustainable energy sector, good jobs, resilient communities and healthy environments powered, heated, cooled and moved by portfolios of sustainable energy.

OSEA's **mission** is to advance the association's vision by raising public awareness, advising decision makers and establishing forums for new market opportunities and collaboration.

Membership is open to all individuals and organizations that support OSEA's values, vision, and mission upon approval by the membership committee.

Membership Services

Your annual membership fee is an investment that enables OSEA to undertake research and champion consistent and supportive political and regulatory environment necessary for the sustainable energy sector to thrive. For over fifteen years, OSEA has been advocating progressive and inclusive energy policies that are based on international best practices.

Successes to date include:

- The creation of the feed-in tariff programs
- The campaign for the Green Energy and Green Economy Act
- The creation of the Community, Aboriginal and Municipal Energy Partnership programs
- The aboriginal loan guarantee program
- Creation of the Community Power Fund
- The Renewable Energy Standard Offer Program

OSEA holds regular policy meetings and engages its members on relevant issues in working groups and subcommittees. OSEA holds monthly networking events in several communities across the province in collaboration with its members and organizes an annual fundraising dinner to provide its members and the larger OSEA community of supporters with opportunities to network, celebrate, learn, and build new relationships.

Other benefits of membership:

- Raise public and political awareness and build support for a sustainable energy economy, laying the groundwork for a flourishing environment that supports the development of sustainable energy projects throughout the Province.
- Engage in committees and working groups to impact and shape Ontario's energy system
- Network within the OSEA network of industry partners and community stakeholders, to collaborate on new ventures
- Attend informative OSEA events and receive discounts on services and events hosted by OSEA's partners
- Get listed in OSEA's online membership directory
- Run and vote for the board and vote on decisions of the organization
- Align your company with an Association that is advocating for a more sustainable Province with Good Jobs, Resilient Communities, and Healthy Environments

Additional Benefits for Enablers Members:

- Company Logo & Hotlink on OSEA's Homepage
- 2 VIP Tickets to OSEA's annual Powering Prosperity Awards Dinner

All membership applications are subject to approval by the membership committee. There are three methods to pay membership fees: a) by credit card payment (please complete Step 3) b) by cheque, made payable to 'Ontario Sustainable Energy Association' and c) online at www.ontario-sea.org, under 'Join us'.
